## SPELL DESCRIPTIONS

The spells are presented in alphabetical order.

### ARC LIGHTNING

*2nd-level evocation*

**Casting Time:** 1 action

**Range:** 60 feet

**Components:** V, S, M (two metal rods)

**Duration:** Instantaneous

Choose two creatures you can see in range that are within 30 feet of each other. A bolt of lightning leaps between the two targets. Both the targets and all creatures in a line between them must make a Dexterity saving throw against your spellcasting DC, taking 2d8 lightning damage on a failure, or half as much on a success.

**At Higher Levels.** When you cast this spell using a spell slot of 3rd level or higher, increase the Lightning damage by 1d8 per spell level.

### AURA OF REPULSION

*3rd-level abjuration*

**Casting Time:** 1 action

**Range:** Self

**Components:** V, S, M (a pair of canine figures, made of metal, worth 20 gp)

**Duration:** Concentration, up to 10 minutes

For the duration, no creature within 30 feet of you can willingly come closer to you unless you allow it or it succeeds on an Strength (Athletics) ability check against your spell save DC. Creatures of size Large or bigger have advantage on the roll. If you move closer to an affected creature, nothing happens. The creature is free to make melee weapon attacks against you if you come within reach.

### AWARENESS

*1st-level divination*

**Casting Time:** 1 action

**Range:** Self

**Components:** V, S, M (a glass eye)

**Duration:** Concentration, up to 1 hour

You create an invisible magical sensor that floats just above your head and shares your space. You can see through the sensor in all directions. For the duration, no melee attack roll can have advantage against you, and you have advantage on Wisdom (Perception) and Intelligence (Investigation) checks that rely on sight.

### BLIZZARD

*9th-level conjuration*

**Casting Time:** 1 action, Special

**Range:** 100 feet

**Components:** V, S, M (a handful of snow)

**Duration:** Concentration, up to 10 minutes

You create a howling wintery gale that fills a cylinder 100 feet tall and 50 feet across that is centred on a point you can see within range. If it is already snowing, this spell can be cast as a bonus action, otherwise, cast it as normal.

Any time a creature starts its turn in the area, it must make a Constitution saving throw, taking 4d10 Cold damage on a failed save, or half as much on a successful one. On a failed save, the target's speed is also reduced by half until the end of its next turn. Any creature that fails three saving throws is frozen solid and subjected to the petrified condition.

A creature frozen in this way makes its saving throw at the start of each of its turns as usual but doesn't take any Cold damage on a failure. Once it succeeds three times after being frozen it is unfrozen and cannot be frozen again by this casting of the spell.

## BUOYANCY

*1st-level transmutation*

**Casting Time:** 1 action

**Range:** 60 feet

**Components:** S, M (a glass bubble filled with air)

**Duration:** 1 hour

Choose up to five willing creatures that you can see within range. Whenever any of the chosen creatures starts their turn while submerged, they rise 60 feet towards the surface. While on the surface, the creature naturally and effortlessly floats.

## CHAMELEON

*1st-level transmutation*

**Casting Time:** 1 bonus action

**Range:** Self

**Components:** V, S, M (a bit of lizard skin)

**Duration:** Concentration, up to 10 minutes

You change your skin, clothes, armour, and anything else you're wearing to match your background. For the duration, you are invisible. This spell ends if you perform any actions, including moving, attacking, casting a spell or using an item.

## DEFLECTING THUNDER

*3rd-level abjuration*

**Casting Time:** 1 reaction, taken when you're targetted by an attack

**Range:** Self

**Components:** V, S

**Duration:** Instantaneous

When a creature attempts to hit you with an attack, but before you know if it will hit or miss, you may invoke a thunderous ward to redirect it to another creature nearby. The attacker makes a new attack roll against a creature within 5 feet of you. If the attack hits, it deals 1d8 thunder damage, in addition to any effects the original attack has. If there are no creatures within 5 feet of you, you cannot cast this spell.

**At Higher Levels.** When you cast this spell using a spell slot of 4th level or higher, increase the Lightning damage by 1d8 per spell slot level beyond 3rd.

## DISARM

*2nd-level abjuration*

**Casting Time:** 1 action

**Range:** 60 feet

**Components:** V, S, M (a wand of any kind)

**Duration:** Instantaneous

Choose one creature within which you can see that is holding a weapon, shield or similar object. By creating a dart of force, you strike its equipment to send it flying, attempting to disarm your target. The target must succeed on a Dexterity Saving Throw, or have one item of your choice that its holding is sent flying. The item lands in a random direction, within 15ft of the target.

## DRÖTTNING SMITE

*2nd-level evocation*

**Casting Time:** 1 bonus action

**Range:** 60 feet

**Components:** V, S

**Duration:** Concentration, up to 1 minute

A powerful technique that comes from an ancient line of kings and knights. To cast this spell, you must spend a hit die without regaining any hit points. If you have no hit dice remaining, you cannot cast this spell.

The next time you hit a creature with a weapon attack before this spell ends, the weapon shines with a cold aura as you strike. The attack deals an extra 2d8 cold and 2d8 radiant damage to the target.

**At Higher Levels.** When you cast this spell using a spell slot of 3rd level or higher, the extra damage increases by 1d8 cold and 1d8 radiant damage for each slot level above 2nd.

## FIRE SEEDS

*5th-level transmutation*

**Casting Time:** 1 action

**Range:** Touch

**Components:** V, S, M (acorns or similar nuts, which are consumed by the spell)

**Duration:** 10 minutes

You may turn as many as four acorns into fire grenades that can be thrown up to 60 feet. When a character throws an acorn as an action, they make a ranged spell attack (using your spell attack bonus). On a hit, each acorn does 4d6 Fire damage to the initial target, and all creatures within 5 feet of the target must succeed on a dexterity saving throw or take half the damage.

On a miss, the DM determines if the seed hits another object, possibly igniting it on fire.

**At Higher Levels.** When you cast this spell using a spell slot of 6th level or higher, produce one additional acorn grenade per additional spell level.

## FOX'S CUNNING

*1st-level divination*

**Casting Time:** 1 reaction, which you take when you are targetted by an attack

**Range:** Self

**Components:** S

**Duration:** Instantaneous

You dip into the powers of the primordial and gain the enhanced senses of a wild animal. When a creature makes an attack against you and triggers this spell, the attack gains disadvantage. If the attack misses, you may move up to 10 feet without triggering opportunity attacks.

## GLOSSOLALIA

*3rd-level enchantment*

**Casting Time:** 1 action

**Range:** Self (40-foot cone)

**Components:** V

**Duration:** Instantaneous

You utter shrieks of nonsense and gibberish that thinking creatures find distracting and confusing. The spell affects only creatures with Intelligence scores of 5 or higher. Any such creatures within a 40-foot cone must succeed on a Intelligence saving throw or be stunned until the end of your next turn. Creatures that can't hear are immune to this spell.

## HINDSIGHT

*6th-level divination*

**Casting Time:** 1 minute

**Range:** Self

**Components:** V, S

**Duration:** Instantaneous

You magically search backwards through time in the area around you. The detail of the events you witness depends on how far back you want to search. You can only view one length of time for each casting of the spell, chosen from these options:

**Up to 30 days.** You gain detailed knowledge of the people, conversations, and events that transpired.

**From 31 days to 1 year.** You gain a summary of the events of the past. Exact wording and details are lost, but you know all the participants and the highlights of the conversations and events that took place.

**From 1 to 100 Years.** You gain a general idea of the events of the past. You notice only the most remarkable of events: coronations, deaths of important personages, major battles and other truly historic happenings.

## HURRICANE

*7th-level evocation*

**Casting Time:** 1 action

**Range:** 120 feet

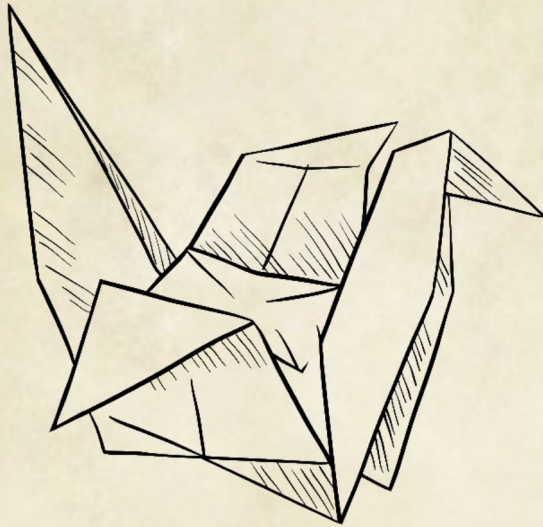

**Components:** V, S, M

**Duration:** 1 minute

A swirling tornado appears on a point you choose within range. It is a cylinder with a 30-foot radius and 100 feet tall. Any creatures that start its turn inside the area of the tornado takes 3d8 force damage and must make a Strength saving throw. Creatures of size Huge or larger have advantage. If a creature is not touching the ground, it has disadvantage on the saving throw. On a failure, a creature is launched 1d10 \* 10 feet up in a straight line. The hurricane also launches upwards any loose objects size huge or smaller. At the beginning of each of your turns, you must pick a direction for the hurricane to move 30 feet to.

**At Higher Levels.** When you cast this spell using a spell slot of 8th level or higher, increase the force damage by 2d8 per spell slot level beyond 7th.

## INCINERATE

*3rd-level transmutation*

**Casting Time:** 1 action

**Range:** 60 feet

**Components:** V, S

**Duration:** Instantaneous

Choose one creature you can see within range. White-hot flames engulf the target, which must make a Constitution saving throw. On a failure, it takes 4d10+20 Fire damage. If this spell reduces the target to 0 hit points, the creature and everything it is wearing and carrying, except magic items, are reduced to a pile of fine black ash. The creature can be restored to life only by means of a true resurrection or a wish spell.

**At Higher Levels.** When you cast this spell using a spell slot of 5th level or higher, increase the damage by 1d10+5 per 2 spell slot levels.

## LISTENING COIN

*2nd-level divination*

**Casting Time:** 1 action

**Range:** Touch

**Components:** V, S, M (a matching pair of coins)

**Duration:** Concentration, up to 1 hour (special)

You create a magical link between two similar coins, turning them into a magical listening device. One coin becomes a sensor, and the other becomes a receiver. When you hold the receiver coin up to your ear, you can hear anything you could hear if you were in the location of the sensor coin.

There is no range limit on how far the coins can hear each other from, although they fail to function if they are ever on separate planes. The spell ends if you lose concentration or if you cast it again.

**At Higher Levels.** If you cast this spell using a spell slot of 4th level or higher, the spell lasts for as long as you concentrate on it.

## LUGHAI'D'S CONCUSSIVE CHORD

*Evocation cantrip*

**Casting Time:** 1 action

**Range:** 60 feet

**Components:** V or S

**Duration:** Instantaneous

You release a blast of sound with your voice (verbal component) or your instrument (somatic component). Make a ranged spell attack against a creature within range. On a hit, the creature takes 1d8 thunder damage.

This spell's damage increases by 1d8 when you reach 5th level (2d8), 11th level (3d8), and 17th level (4d8).

## MARTYR'S BLESSING

*1st-level abjuration*

**Casting Time:** 1 reaction, taken when an adjacent creature is hit with a single-target attack

**Range:** Self

**Components:** S

**Duration:** Instantaneous

Your selflessness and devotion allow you to take the place of an ally when the enemy attacks. When a creature attacks an ally within 5ft of you, you become the target of the attack instead. You have resistance to all damage made caused by such an attack.

Attacks that target multiple enemies or affect an area aren't eligible triggers for this spell.

## ORIGAMI

*Transmutation cantrip*

**Casting Time:** 1 action

**Range:** Touch

**Components:** V, S

**Duration:** One hour

You magically fold and animate a Tiny piece of paper or similar material, such as a leaf. You can fold it into one of the following shapes:

**Crane.** The crane has a fly speed of 10 feet. You can mentally direct the crane to move, or name a location within 1 mile that you know of. The crane will fly to the location and land, becoming inert.

**Dog.** The dog has a movement speed of 10 feet. You can mentally direct the dog to move as a bonus action. If a creature moves to within 10 feet of the dog, the dog moves up to its speed towards it and gives off a loud barking noise. Afterwards, the dog unfolds itself and becomes inert.

**Flower.** The flower is controlled by the time of day. It is open during the day and closed during the night. During sunrise and sunset, the flower slowly opens and closes respectively.

**Samurai.** When placed on the floor or another surface, the samurai always points his sword in the direction of the nearest castle or fort.

After one hour, the origami unfolds itself and becomes inert. You can only have up to 5 active origami animations at once.

## RESTORING STRIKE

*1st-level evocation*

**Casting Time:** 1 bonus action

**Range:** Self

**Components:** V, S

**Duration:** Concentration, up to 1 minute

You hurt your foe, proving to your allies that the enemy can be defeated, strengthening their resolve. The next time you hit a creature with a weapon attack, you or another creature within line of sight may expend a hit die, recovering that many hit points plus their Constitution modifier. A creature with no hit dice remaining is not affected by this spell.

**At Higher Levels.** When you cast this spell using a spell slot of 2nd level or higher, you can choose one more target to expend a hit die and recover hit points per slot level beyond 1st.

## SANDTHROWER

*conjuration cantrip*

**Casting Time:** 1 action

**Range:** Self (15-foot cone)

**Components:** V, S, M (a handful of sand)

**Duration:** Instantaneous

You release a forceful spray of sand from your hands, cutting and bruising your enemies. Any creature in the spell's area must make a Dexterity saving throw, taking 1d4 slashing damage on a failed save.

This spell's damage increases by 1d4 when you reach 5th level (2d4), 11th level (3d4), and 17th level (4d4).

## SPEED READ

*1st-level divination (ritual)*

**Casting Time:** 1 action

**Range:** Self

**Components:** V, S, M (a small green rock)

**Duration:** 1 hour

Knowledge almost seems to leap directly from the page and into your brain. For the duration, you gain the ability to read non-magical texts at a rate of 100 pages per minute.

You also have perfect recall of any knowledge gained through this spell during its duration. After the spell has ended you can remember the details of what you read as if you had read it normally.

You must be able to comprehend the language in which a text is written in order to utilize this spell.

## STONEFIST

*Transmutation cantrip*

**Casting Time:** 1 action

**Range:** Touch

**Components:** V, S

**Duration:** Instantaneous

You magically transform one of your hands into solid stone and strike your foe with it. Make a melee spell attack. On a hit, the target takes 1d8 bludgeoning damage.

This spell's damage increases by 1d8 when you reach 5th level (2d8), 11th level (3d8), and 17th level (4d8).

## SUPERCARGE

*3rd-level transmutation*

**Casting Time:** 1 bonus action

**Range:** 40 feet

**Components:** V, S

**Duration:** Concentration, up to 1 minute

You charge a single creature you can see within range with a massive amount of electrical energy. The next time the creature takes Lightning damage, it must make a Constitution saving throw.

On a failure, that instance of lightning damage is doubled, and any creatures within 10 feet of the original target must make a Dexterity saving throw, taking half the same damage as the target on a failure. Success or failure, the spell then ends.

## THUNDERBOLT

*5th-level evocation*

**Casting Time:** 1 action

**Range:** 10 feet

**Components:** V, S, M (a pair of metal rods worth at least 100gp)

**Duration:** Instantaneous

You call a single, massive lightning bolt to strike a creature you can see within range. The target must succeed on a Dexterity saving throw or take 5d12 Lightning damage and 5d12 Thunder damage.

**At Higher Levels.** When you cast this spell using a spell slot of 6th level or higher, increase the lightning and thunder damage by 1d12 each for every slot level above 5th.

## TYR'S INFINITE ARMORY

*4th-level conjuration (ritual)*

**Casting Time:** 1 hour

**Range:** 5 feet

**Components:** V, S, M (one length of silver wire worth 50gp per target, which the spell consumes)

**Duration:** Until dispelled

You craft an extradimensional space for yourself and up to eight willing creatures within range to store weapons. You wrap a length of silver wire around the dominant wrist of each individual you are targeting, and upon completion of the spell, the wire melts into their skin leaving a silver mark in its place.

So long as that mark exists on a character's skin, over the course of a short or long rest, they are able to bind a number of weapons, shields or spellcasting foci equal to their Proficiency Bonus. The bonded items are stored in an extradimensional space.

As an action, a character can summon up to two items stored in this extradimensional space to their hands, and these items can be dismissed back to the extradimensional space as another action.

Antimagic fields suppress the ability to summon but do not break the enchantment. If the enchantment is dispelled, weapons stored in this way appear on the ground next to the person to whom they are bound.
